**Question 1.** For the medication management part of the system, a company may have to find a subcontractor to provide that service. If a company does not have a subcontractor in place, nor by the end of the month (proposals due on November 1), which the NH Department of Corrections wants to have the subcontractor information submitted with the proposals, can a company submit a proposal that does not have the subcontractor information and will the response be acceptable as is?

**Answer 1.** The response to the original question as detailed in the Q&A posted on the NH Department of Corrections website does not require that the name of the subcontractor, but that the respondent should describe how the organization would utilize a subcontractor to comply with the requested scope of work.
